CHINA COUNCIL FOR THE PROMOTION
OF INTERNATIONAL TRADE

Dec. 18th, 2018

To whom it may concern,

This is Zhang Xin, Executive Director of the China Council for the Promotion of International Trade (CCPIT) Brazil Office.

I'm writing to introduce Ms. Thais Moretz Sohn Fernandes (nationality: Brazil, passport number: FL395176), whom I met earlier this year in Sao Paulo, Brazil. Although our meeting was brief, she impressed me with her strong trade and investment promotion experience, multi-language skills as well as extensive government background.

She worked for the Brazilian Trade and Investment Promotion Agency (Apex-Brasil) for more than 8 years as a project manager and demonstrated strong capabilities and dedication to promoting Brazilian products and services abroad, and to attracting foreign investment to strategic sectors of the Brazilian economy. During the period, she also participated in organizing business forums, round tables as well as trade missions together with my office. She is now working for the private sector and is hired by Comexport, one of the leading Brazilian import & export firm, as the China office manager.

With her strong background in bilateral relations, foreign trade and international business, I'm confident that she can help further facilitate and contribute to Brazil-China commercial ties. Hereby, I strongly recommend Ms. Thais to work in China.

Thank you for your attention and consideration.

Regards,

Zhang Xin

RECOMMENDATION LETTER

It is my great pleasure to recommend Thaís Moretz-Sohn Fernandes to FUDAN University.

She has already studied at FUDAN, during the Shanghai Summer School (BRICS Program), in July, 2015, and has also undertaken an internship at the Center for BRICS Countries Studies, at FUDAN University.

During these occasions, she proved to be a diligent student and professional, always attentive to details and deadlines. She has also demonstrated an impressive knowledge on Brazil-China issues, emerging markets and global economy.

Always motivated, she has successfully participated in the Analog press conference BRICS 2015, during the Shanghai Summer School (BRICS Program), organized by the Center for BRICS Studies. The analog press conference simulated a Joint Press Conference on the First Round of Loans Released by the New Development Bank, and the participants took roles as spokespersons from the BRICS government and international media. Myself and Mr HONG Lei, the spokesman of the Chinese Ministry of Foreign Affairs and Deputy Director-General of the Department of Information, also participated and commented the Model.

She had a great performance and proved to be a creative and strategic thinker. She speaks in a very articulated manner, and is also a great listener, always willing to lend an ear or a helping hand to the other members of the team.

Recently, she has also participated in the Annual Meeting of China Society of Emerging Economies, in Guangzhou, where she presented her own paper, entitled "Building Strategic Capabilities to empower the New Development Bank." I am impressed with her performance and interest in expanding her knowledge and developing a deeper understanding about China's role in the world.
